Dear Prospective Sponsor,

The Philippine Nurses Association of Northern California, Inc. (PNANC) has two back-to-back uplifting events on **May 24, 2024**, Friday, with our **Annual 2024 Spring Educational Conference and Grand Ball - Induction Ceremony of 2024-2026 Officers**. Both events will be held at Double Tree by Hilton SF Airport, 835 Airport Blvd Burlingame, CA 94010. "WE CARE Trends - Wisdom Excellence Collaboration Advocacy Respect and Equity " is the conference theme.

PNANC is a professional nursing organization that promotes nursing excellence in clinical practice, education, research, leadership development, and community service. This was more evident during the past year of the COVID-19 pandemic when Filipino American nurses were frontline health workers. We have members in many different hospitals and healthcare facilities in California. The month of May also initiates a month-long celebration and appreciation of nurses' invaluable contributions.

On behalf of PNANC, I invite you to be a sponsor or get an Ad in our souvenir program to help our organization with its community outreach activities, education programs, and scholarship awards. Your support and generosity are greatly appreciated for the success of this event.

Please send the form below to Vicky Palomar, Chair of the Sponsorship and Fundraising Committee, at vpalomar97@gmail.com and your check to PNANC at 69 Penhurst Ave, Daly City, CA 94015. You may also pay online at <https://pnanorthcal.org/event-5563484>. **The deadline for your logo, videos, and Ad and payment is April 15, 2024.**

For additional information, please visit our website <https://www.pnanorthcal.org> or contact Vicky Palomar at 650-296-8511 or PNANC President Igor Mocorro at 415-818-5654. Thank you in advance for your kind generosity and continuous support.

Sincerely,

Igor Mocorro, DNP, MPH, APRN, PHN, FNP-BC
PNANC President

Vicky Palomar, MSN, BSN
Chair of the Sponsorship and Fundraising Committee

The Philippine Nurses Association of Northern California (PNANC) is a 501C3 non-profit organization whose mission is to promote fellowship among Philippine nurses, foster a positive image, and provide activities that assist in professional development by implementing educational programs relevant to nursing practice and education research.
